

#10 Envelope Artwork Guidelines

Bleed area: 9.627" x 4.25"

Make sure that your background extends to fill the bleed to avoid your Envelope having white edges when trimmed.

Trim: 9.5" x 4.125

This is where we aim to cut your Envelope.

Safe area: 8.973" x 3.417"

Make sure any important aspects of your design such as text, photos, and logos are inside of the safe area, otherwise they may be cut off.
