

Square Business Card

Artwork Guidelines

Bleed area: 2.63" x 2.63"

Make sure that your background extends to fill the bleed to avoid your Square Business Cards having white edges when trimmed.

Trim: 2.5" x 2.5"

This is where we aim to cut your cards.

Safe area: 2.25" x 2.25"

Make sure any important aspects of your design such as text, photos, and logos are inside of the safe area, otherwise they may be cut off.
