

24" H X 24" W Sign Panel

Artwork Guidelines

Bleed area: 24.19 H" x 24.19 W"

Make sure that your background extends to fill the bleed to avoid your Sign Panels having white edges when trimmed.

Trim: 24 H" x 24 W"

This is where we aim to cut your cards.

Safe area: 22.5 H" X 22.5 W"

Make sure any important aspects of your design such as text, photos, and logos are inside of the safe area, otherwise they may be cut off.
